To,
The Additional Director General(E) (E/Z)
All India Radio & Doordarshan,
Akashvani Bhavan, Kolkata-1.

Sub: Unpleasant situation happened at DDK Asansol regarding security.

Respected Sir,

This is to draw your kind attention that some serious problems arisen at DDK Asansol regarding deployment of security personal provided by private security agency by order of Directorate as per rule. The agency changed old security personals with new personals but a stray incident happened within office premises when the old and new security personals started fighting among themselves and also abused our office staffs. DDK Asansol office authority has filed a FIR at local police station for that incident.

So sir, you are requested to solve that issue urgently so that such incident may not occur which may destroy peace, harmony & security of office staffs. If security personals fight among themselves then how can they maintain safety & security of any office? So keeping in mind the seriousness of the matter an urgent solution may be needed.

Thanking you for an early action about above matter from your end.

(RANAJIT MAITRA)

Vice President, ARTEE- E/Z
